

ZOO U. PROGRAM EVALUATION

We want to know how we did! Please be honest, no name needed!

What did you like best about the Tropical Ecology course?

What did you like least?

Do you feel you received adequate information on the topic? If not, what would you add?

Do you feel you got a good overview of Tropical Ecology? If not, can you say what was missing?

Did you enjoy the activities/tours? Why or why not?

In general, what would you change about the course or the way it was presented?

Please add any other comments here:

On the back, please list any suggestions for future Zoo U. courses and/or suggestions for future summer programs.

Thanks for your comments!!
