

ZOO U. PROGRAM EVALUATION

We want to know how we did! Please be honest, no name needed!

What did you like best about the Amazing Africa course?

What did you like least?

Do you feel you got a good overview of African Ecology? If not, can you say what was missing?

Did you enjoy the in-class activities/tours? Why or why not?

In general, what would you change about the course or the way it was presented?

Please add any other comments here:

On the back, please list any suggestions for future Zoo U. courses and/or suggestions for future activities/opportunities.

Thanks for your comments!!
