*Along with this application form, applicants are also responsible for:*

☞ **Conservation Leadership Project:** All applicants must complete a Conservation Leadership Project. The scholarship will be awarded based upon the success of the project, degree of community involvement, importance and impact of the conservation issue being addressed, and overall quality of the project. *One* scholarship will be awarded this year.

☞ **Documentation of Conservation Leadership Project:** Applicants must submit a report detailing the project. Reports should also include visuals (photographs, fliers or brochures, etc.) and other forms of media to document the impact of your project. (Please submit the report on a separate sheet of paper, using the headings and descriptions outlined below).

*All Scholarship application materials (including documentation of completed conservation leadership project) should be submitted by Wednesday, August 1<sup>st</sup>.*

**Project Report** (1500 words or less):

**Introduction:** 1-2 sentence summary of your Conservation Leadership Project.

**Background:** Goals  
Objectives  
What inspired you?  
How did you decide on the task?  
What audience did you work with?

**Specific Conservation Goals:** How does this project create change or address a conservation issue?

**Project Description:** Detailed description of your project.

**Method/Plan of Action:** Where did you carry out your project?  
What community(ies) does this project focus on?  
What interaction did you have with your audience?  
Did you work with anyone on your project?  
When did you do your project?  
What is the timeline of your project (is it ongoing)?

**Results/Impact of Project:** What criteria did you use to judge the success of your work?  
How successful do you feel your project was?  
What would you do differently or do you have future goals?

**Additional documentation:** Photos, etc. that will help the reviewers to understand your project

]

Please send all scholarship application materials, including documentation of completed conservation leadership project, to:

Mandy Revak  
Pittsburgh Zoo & PPG Aquarium  
One Wild Place  
Pittsburgh, PA 15206
